Mission

Dispatch

let it be known, to all you misbelievin'
what you've been seein'
that we will not stand
will not be mistaken
we'll go there leave this weakness
don't take this from me
we'll go there leave this weakness
'cause I have been waiting
[CHORUS:]Lo we are not so we're on a mission
Lo we are not so we're on a mission
damn this, damn that
there'll be no talk of turnin' back
damm this, damn that

there'll be not talk
that we might fly sometimes
we will find our own way
that we might fly sometimes
we will find our own
[CHORUS]we are not so
we are not given
we are not sold on what we have seen
we're gone we're gone
the list is long we are many strong
the ceilings are coming down
