

Love and Hate You

Orchestral Manoeuvres In the Dark

I love you and hate you, at the same time
I need you, don't need you, is that such a crime
I wouldn't walk down the road to say goodbye
I couldn't give you up to some other guy
I wouldn't do anything that you asked me to
But you know that it's true, I still love you I want you to help me, to make up my mind
I need you to hear me, at least some of the time
I wouldn't blame you if you had to run away
I couldn't stand to live like this another day
But I would sell my soul to get you back today
'Cause you know that it's true, I still love you I wouldn't blame you if you had to run away
I couldn't stand to live like this another day
But I would sell my soul to get you back today
'Cause you know that it's true, I still love you
And you know that it's true, I still love you, hey, hey
And you know that it's true, I still love you
