

Man We Was Lonely

[Paul McCartney](#)

Man we was lonely
Yes we was lonely
And we was hard pressed to find a smile
Man we was lonely
Yes we was lonely
But now were fine all the while I used to ride on my fast city line
Singing songs that I thought were mine alone, alone
Now let me lie with my love for the time
I am home (home), home (home), home Man we was lonely
Yes we was lonely
And we was hard pressed to find a smile
Man we was lonely
Yes we was lonely
But now were fine all the while Now let me lie with my love for the time
I am home (home), home (home), home
