

Beta Love

Ra Ra Riot

Golden light, turned all white
If I run to you, would you stay?
I might be a prototype, but weâ€™re both real inside
Would you take me up this time?
Come take me up this time
Cause Iâ€™m gonna find that place the way that I want

I will find my beta love
When I find my beta love
You will be my beta love
My beta love
Now weâ€™re getting closer

In this hole, I believe
You canâ€™t tell me no, itâ€™s no dream
In this city of robot hearts, ours were made to be
You take me up this time
You take me uá¹— this time
I was made in that place, no way to deny

I will find my beta love
When I find my beta love
You will be my beta love
My beta love
Now weâ€™re getting closer

Oh, aye, oh, aye, oh
My beta love
When I find my beta love
You will be my beta move
My beta love
Now weâ€™re getting closer
Be my beta love
When I find my beta love
You will be my beta move
My beta love
Now weâ€™re getting closer
Close to you
