The Long Way Home

The Birthday Massacre

Here in the dark
Don't fall asleep
We walk through the snow
Trying hard to breathe
Don't let me go
Stay close to me
Don't look behind us
There's nothing to see belowLet me go
From here I know
It's a long way homeInto the woods
Under the tree
We follow the trail
Down to the sea
There's nowhere to hide
Don't wait for me
Don't look behind you
There's nothing to see belowLet me go
From here I know
It's a long way home
