

You Saved Me

[Alyssa Marie Coon](#)

I remember the times we almost drowned I said you wanna go you you frowned,
You wanna go higher and higher yay or nah maybe to the sun the moon and bay. Thought about the times that
we had trouble in the deep /blue seas, I sank and almost drowned but you saved me bop bop shoe bop bop bop
sho adwada/bop bop shoe bop bop bop
Sho adwada/ bop bop shoe bop bop bop and you saved me
bop bop shoe bop bop bop sho adwada/bop bop shoe bop bop bop
Sho adwada/ bop bop shoe bop bop bop and you saved me Imagine if i made a wall between ya to separate you
from my heart Don't you think that that would break us really really hard, we stand next to each other In the land
of the free And love our hearts forever and ever until we leave
