

Deadbeat Summer (Database Remix)

Neon Indian

Going blind from the heat
In the middle of a sunlit street
Seeing thoughts on repeat
But I'd rather get something to eat
Feeling senseless and beat
And I wonder at the chance that we'll meet Deadbeat summer
It's just a deadbeat summer You're the one that I miss
From last summer when I'd stolen a kiss
Hear the endless hiss
As it rolls into the starlit abyss
All my dreams reminisce
Never thought this time it'd be like this Deadbeat summer
It's just a deadbeat summer
