

# Never Giving Up

## Of Mice & Men

Even though I can see it in your face  
I can't really explain  
Just how broken and empty  
And disgraced you seem to me  
You cut me out and dragged me down  
Pulled me all the way to the bottom  
I've done for you till black and blue  
What no one else would do for the fallen

One day when nothing ever feels the same  
Just like every other time before  
You hit the wall, lost it all  
And I'll find a way to wake you  
From this bed you've made  
Even though I know you want me too  
I'm never giving up on you (on you, on you)  
I'm never giving up, never giving up on you (on you, on you)  
I'm never giving up, never giving up on you

You'll never know just how hard it is for me  
To see you this way  
It tears me up, and drags me down  
Trying to pull you up from the bottom  
I break for you like I always do  
And I'll see you through  
When you're on your knees and crawling (crawling)

So don't give up on me  
Yeah, don't you give up on me (give up on me)  
Yeah, don't you give up on me  
Yeah, don't you give up on me

So don't give up on me
