Advisory - the following lyrics contain explicit language:

Geronimo Geronimo  
They're falling like they're dominos  
Please believe it and let that be the reason  
Sight beat the world and we shall see  
Geronimo, Geronimo  
These girls are falling dominos  
They - they call me dynamo  
But I be yelling vamanos  
So you bout to undergo  
Daenerys in a game of thrones  
No - I'm not no common ho  
Slip sliding down a rabbit hole, what?  
And they be slain-i slay these bitches double dutch  
And they be slain-i slay these bitches so wassup  
And they be slain-i slay these bitches double dutch  
And they be slain-i slay these bitches so wassup  
Jump - up and down  
Jump - all around  
Jump - up and down  
Jump - now make your bootie bounce  
Geronimo, Geronimo  
I send em to Guantanamo  
Or better yet the Alamo  
Macaulay Culkin's home alone  
It's my sickening do-si-do  
My undefeated rope-a-dope  
From Tokyo to Kokomo  
My syncopated rodeo - what  
I got my chaperone  
My wherefore art thou Romeo  
Tell Juliet to hold da phone  
Cause she never gonna get that tootsie roll

It's my turn to chew da bone  
To spread my leg like Sharon Stone  
To dominate like Al Capone  
This playground is my battle zone - what  
Pretty little lady boy, pretty as can be  
All the boys in the hood, go crazy over me  
But I don't care, I don't pay them no mind  
Cause I got ish to do and I ain't got time
