Forevermore

Whitesnake

Looking back across the years
the good times and the bad
an echo in my mind
Whisper on a breeze
sweet and bitter memories
of all I left behind
If it was'nt for your love
don't know where I'd be
dont know what I'd do
Time and time again
sing the same refrain
all because of you
For you will be my love
and I will feel your heartbeat
forevermore
Rest here in my arms
forevermore
Forevermore
Through the dark night of my soul
you gave me a hand to hold
and help me make it trhough
Now all my darks and my fears
held inside for all those years
dissappear when I'm with you
For you will be my love
and I will feel your heartbeat

forevermore
Rest here in my arms
Give me all your love
give me all your love
and I'll be in your loving arms
forevermore
(solo)
For you will be my love
and I will feel your heartbeat
forevermore
Rest here in my arms
Give me all your love

give me all your love
and I'll be in your loving arms
give me all your love
Give me all your love
give me all your love
and I'll be in your loving arms
give me all your love
Forevermore
forevermore
forevermore
Forevermore
forevermore
forevermore
(outro)
