

# Afraid To Shoot Strangers (Silver Balloon Mix)

## Iron Maiden

Lying awake at night I wipe the sweat  
From my brow  
But it's not the fear 'cause  
I'd rather go now Trying to visualize the horrors that  
Will lay ahead  
The desert sand mound a burial ground When it comes to the time  
Are we partners in crime?  
When it comes to the time  
We'll be ready to die God let us go now and finish what's  
To be done  
Thy Kingdom Come  
Thy shall be done, on earth Trying to justify to ourselves the  
Reasons to go  
Should we live and let live  
Forget or forgive But how can we let them go on this way?  
The reign of terror corruption must end  
And we know deep down there's  
No other way  
No trust, no reasoning, no more to say Afraid to shoot strangers  
Afraid to shoot strangers
