

# Walking In The Air

Connie Talbot

we're walking in the air  
we're floating in the moonlit sky  
the people far below are sleeping as we fly  
i'm holding very tight  
i'm riding in the midnight blue  
i'm finding i can fly so high above with you  
far across the world  
the villages go by like dreams  
the rivers and the hills  
the forests and the streams  
children gaze open mouth

taken by surprise  
nobody down below believes thier eyes  
we're surfing in the air  
we're swimming in the frozen sky  
we're drifting over icy  
mountains floating by  
suddenly swooping low on an ocean deep  
arousing of a mighty monster from its sleep  
we're walking in the air  
we're floating in the midnight sky  
and everyone who meets us greets us as we fly
