You Reign

4HIM

Long before You ever said
â€œLet there be lightâ€•
Long after this world has had
Its final night

Great God in Heaven Youâ€™ll be
Where You've always been
Seated on Your holy throne
King of all kings, looking down on men

You are ruler above all the nations
Sovereign through all generations
Lord, You reign

One day all kings will tremble before You
I will bow down to adore You
Lord, You reign

Morning and night the sky shouts
"Your majesty"
Saying the whole universe is
Under Your feet

This is the peace in my heart
The strength of my soul
Whatever happens in life
This much I know, You are in control

You are ruler above all the nations
Sovereign through all generations
Lord, You reign

One day all kings will tremble before You
I will bow down to adore You
Lord, You reign

There is none like You, Lord, You are worthy
Everything You do always is perfect
There is none like You, Lord, You are worthy

Everything You do always is perfect

You are
Sovereign through all generations
Lord, You reign

'Cause I know that one day
One day all kings will tremble before You
I will bow down to adore You
Lord, You reign, Lord, You reign
Lord, You reign

Everything You do always is perfect
There is none like You, Lord, You are worthy
Everything You do always is perfect
There is none like You, Lord, You are worthy
