

Party

Elvis Presley

Some people like to rock
Some people like to roll
But movin' and a groovin'
Gonna satisfy my soul Let's have a party
(Let's have a party)
Let's have a party
(Let's have a party)
Send to the store
And let's buy some more
And let's have a party tonight I've never kissed a bear
I've never kissed a goon
But I can shake a chicken
In the middle of the room Let's have a party
(Let's have a party)
Let's have a party
(Let's have a party)
Send him to the store
And let's buy some more
And let's have a party tonight Now Honky Tonky Joe
Is knockin' at the door
Bring him in and fill him up
And set him on the floor Let's have a party
(Let's have a party)
Let's have a party
(Let's have a party)
Send him to the store
And let's buy some more
And let's have a party tonight The meat is on the stove
The bread is getting hot
Everybody come and taste
The pasta parmesan Let's have a party
(Let's have a party)
Let's have a party
(Let's have a party)
Send him to the store
And let's buy some more
And let's have a party tonight
We're gonna have a party tonight
