Grace

Meshell Ndegeocello

Can't say I have ever been faithful
Except to God
Never felt I could call anywhere home
Till I fell asleep here in your armsI never thought I'd fall in loveYour love is my only saving grace
You caress my heart
Kiss my face
Your love is my only saving graceSometimes God calls out to me to come home
'Cause I feel so alone
Then I taste your kiss
Your touch your sweet loveI never thought I'd fall in loveYour love is my only saving grace
You caress my heart
Kiss my face
Your love is my only saving graceI never thought I'd fall in love
I never thought I'd fall in love with youYour love is my only saving grace
You caress my heart
Kiss my face
Your love is my only saving grace your love
