# Skeletons

## The Generators

Is that you crawling
Outside My Window
Creeping me out tonight
How come you
Choose me to suffer
Everytime I turn out the lightsI thought I got free
I thought I got awayBut you come back
To fight another day
You drag it out
You drag me down
Its always the same
When you come aroundYou drag the skeletons
Out of the closet
I gotta move on
But you gotta knock it
You drag the skeletons
Out of the closetSomehow youbring
Out the worst in me
Im a victim of your split personality
Youre the nightmares
Inside my head
Youre the monster
Underneath the bedYou drag the skeletons
Out of the closet
I gotta move on
But you gotta knock it
You drag the skeletons
Out of the closetDont wanna turn off the light
Dont wanna turn off the light
Dont wanna turn off the light
