

# Don't Ask Me Why

## Elvis Presley

I'll go on loving you  
Don't ask me why  
Don't know what else to do  
Don't ask me why How sad my heart would be  
If you should go  
Though you're not good for me  
I want you so It's not the kind  
Of love I dream about  
But it's the kind  
That I can't live without You're all I'm longing for  
Don't say good-bye  
I need you more and more  
Don't ask me why  
I need you more and more  
Don't ask me why
