

Try Me, I Know We Can Make It

Donna Summer

Try me, try me, try me, try me just one time
Try me, try me, try me, try me just one time
Oh try me for love
Now baby don't you think you should Fill me, fill me, fill me, fill me full of love
Fill me, fill me, fill me, fill me to the top of
Fill me with love
Now baby is my loving good I just wanna feel your body
Close to mine
I just wanna share your love and baby
All the time, all the time Oh try me, try me, try me, try me just one time
Try me, try me, try me, try me just one time
Try me, try me, try me, try me just one time
Try me, try me, try me, try me just one time Try me, try me
I want you to try me
Baby try me
One moment try me I know, I know, I know, I know
(I know)
I know, I know, I know, I know
(I know)
I know, I know, I know
We can make it I know, I know, I know, I know
(I know)
I know, I know, I know, I know
(I know)
I know, I know, I know
We can make it, we can make it
Yeah, yeah, yeah, yeah, yeah, yeah You've got an easy way to make me cry
Cry and love for you
And I can tell by the hungry way you look
You know just what to do We can make it
(We can make it)
If we try
(If we try)
We can make it
(We can make it)
Touch the sky
(Touch the sky) Try me I know we can make it I know if we try
(If we try)
Try me I know we can make it I know if we try

(If we try)

Try me I know we can make it I know if we try

(If we try)

Try me I know we can make it I know if we try

(If we try)
