Ka je ireke, ka je a jâ€™ete
Come a little closer

Whisper in your ears
I wanna run that thing

Cos Iâ€™m here for you noww
Last time I checked it baby

And the last time would let you tick it
But you were taken
Boy you got me confused

Cos I never wanna, never wanna leave your side

Never wanna, never wanna leave your side

The door is open wide
You promise me no lies
Pray this will last till forever
