

# Everybody Wants To Rule the World

Lorde

Welcome to your life  
There's no turning back  
Even while we sleep  
We will find you Acting on your best behaviour  
Turn your back on mother nature  
Everybody wants to rule the world It's my own design  
It's my own remorse  
Help me to decide  
Help me make the most Of freedom and of pleasure  
Nothing ever lasts forever  
Everybody wants to rule the world There's a room where the light won't find you  
Holding hands while the walls come tumbling down  
When they do I'll be right behind you So glad we've almost made it  
So sad they had to fade it  
Everybody wants to rule the world  
Everybody wants to rule the world  
Everybody wants to rule the world
