

Learn To Croon (College Humour (1933))

Bing Crosby

Learn to croon
If you want to win your heart's desire
Sweet melodies of love inspire
Romance Just murmur da, da, dee, da, da, da
And when you do
She'll answer da, da, dee, da, da, da
And nestle closer to you Learn to croon
You'll eliminate each rival soon
If you're heading for a sunny honeymoon
Learn to croon In days of old when nights were bold
Fair ladies were enraptured
By stirring deeds of chivalry and daring
But nowadays in other ways Sweet maids are one encaptured
You'll hear the best authorities declaring
Learn to croon, ya da, da, dee, da, da, da, da
La da, da, da, dee, da, da, da, la da, da, dee Just murmur da, da, dee, da, da, da, dee
And when you do
She answer da, da, dee, da, da, da, dee
And nestle closer to you Learn to croon
You'll eliminate each rival soon
If you're heading for a sunny honeymoon
Learn to croon
