

# I'll Wait

## Van Halen

You've got me captured I'm under your spell  
I guess I'll never learn  
I have your picture yes I know it well  
Another page is turned  
Are you for real, it's so hard to tell  
From just a magazine  
Yeah, you just smile and the picture sells  
Look what that does to me I'll wait till your love comes down  
I'm coming straight for your heart  
No way you can stop me now  
As fine as you are I wrote a letter and told her these words  
That meant a lot to me  
I never sent it, she wouldn't have heard  
Her eyes don't follow me  
And while she watches I can never be free  
Such good photography I'll wait till your love comes down  
I'm coming straight for your heart  
No way you can stop me now  
As fine as you are You can't imagine what your image means  
The pages come alive  
Your magic greets everyone who reads  
Heartbreak in overdrive  
Are you for real, it's so hard to tell  
From just a magazine  
Yeah, you just smile and the picture sells  
Look what that does to me I'll wait till your love comes down  
I'm coming straight for your heart  
No way you can stop me now  
As fine as you are I'll wait till your love comes down  
I'm coming straight for your heart  
No way you can stop me now  
As fine as you are
