Honest Mistake

Anika

People
They don't mean a thing to you
They move right through you
Just like your breath
But sometimes
I still think of you
And I just wanted to
Just wanted you to know
My old friend,
I swear I never meant for this
I never meant

Don't look at me that way
It was an honest mistake
Don't look at me that way
It was an honest mistake
An honest mistake

Sometimes
I forget I'm still awake
I fuck up and say these things out loud

My old friend,
I sweat I never meant for this
I never meant

Don't look at me that way
It was an honest mistake
Don't look at me that way
It was an honest mistake
An honest mistake

Don't look at me that way
It was an honest mistake
Don't look at me that way
It was an honest mistake
An honest mistake
