

Another World

One Direction

It's not me, it's not you, there's a reason
I'm just tryna' read the signals I'm receiving
Just like a stone on fire, can you feel it
I don't know about you girl but I believe it Words will be just words
Till you bring them to life I'll lift you up, I'll never stop
You know I'll take you to another world
I'll build you up, I'll never stop
You know I'll take you to another world Everyday, in every way
Oh I'll lift you up, I'll never stop
You know I'll take you to another world One for me, one for you, whatcha doing?
Girl the music sounds so good when you're movin'
Let me take you higher, let me prove it
'Cause, hey, hey, pretty girl, I believe it Words will be just words
Till you bring them to life I'll lift you up, I'll never stop
You know I'll take you to another world
I'll build you up, I'll never stop
You know I'll take you to another world Everyday, in every way (in every way)
Oh I'll lift you up, I'll never stop
You know I'll take you to another world
Take you to another world
You know I'll take you to another world Baby let me find out your secret
Just let me in and let me show you that I keep it
Close to my heart jump in the deep end
Just let me in and let me show you what I'm meaning I'll lift you up, I'll never stop
You know I'll take you to another world
I'll build you up, I'll never stop
You know I'll take you to another world Everyday (everyday), in every way (in every way)
Oh I'll lift you up, I'll never stop
You know I'll take you to another world Take you to another world Oh yeah You know I'll take you to another
world I'll build you up, I'll never stop
You know I'll take you to another world Yeah Take you to another world I'll lift you up, I'll never stop
