

Dangerous (Live from Santiago 2012)

Roxette

You pack your bag, you take control
You're moving into my heart and into my soul
Get out of my way! Get out of my sight!
I won't be walking on thin ice to get through the night
Hey where's your work? What's your game?
I know your business but I don't know your name...Hold on tight, you know she's a little bit dangerous
She's got what it takes to make ends meet,
The eyes of a lover that hit like heat
You know she's a little bit dangerous You turn around, so hot and dry,
You're hiding under a halo, your mouth is alive
Get out of my way! Get out of my sight!
I'm not attracted to go-go deeper tonight
Hey what's your word? What's your game?
I know your business but I don't know your name...Hold on tight, you know she's a little bit dangerous
She's got what it takes to make ends meet,
The eyes of a lover that hit like heat
You know she's a little bit dangerous
Oh just a little bit dangerous...Hey what's your word? What's your game?
I know your business but I don't know your name...Hold on tight, you know she's a little bit dangerous
She's got what it takes to make ends meet,
The eyes of a lover that hit like heat
You know she's a little bit dangerous
