

# Kitty

## Klimperei

Out in the wide world Kitty, pretty Kitty  
Out in the wide world Kitty, far across the sea  
My Kitty sailed away from me  
To strange and distant lands  
And when I asked a goodbye kiss  
She said, "Oh no, shake hands"  
Out in the wide world Kitty, pretty Kitty  
Out in the wide world Kitty, far across the sea  
When Kitty left she said she'd write  
He promised her the same  
But his address somehow got lost  
And she forgot his name  
Out in the wide world Kitty, pretty Kitty  
Out in the wide world Kitty, far across the sea
