

Blue Monday [88]

New Order

How does it feel
When you treat me like you do
And you've laid your hands upon me
And told me who you are?

I thought I was mistaken
And I thought I heard your words
Tell me, how do I feel?
Tell me now, how do I feel?

Those who came before me
Lived through their vocations
From the past until completion
They will turn away no more

And I still find it so hard
To say what I need to say
But I'm quite sure that you'll tell me
Just how I should feel today

I see a ship in the harbor
I can and shall obey
But if it wasn't for your misfortunes
I'd be a heavenly person today

And I thought I was mistaken
And I thought I heard you speak
Tell me how do I feel?
Tell me now, how should I feel?

Now I stand here waiting

I thought I told you to leave me
While I walked down to the beach
Tell me, how does it feel
When your heart grows cold?

How does it feel?
How does it feel?

How does it feel?

And I thought I told you to leave me
While I walked down to the beach
Tell me, how does it feel
When your heart grows cold?
