# In Those Days

## Balzac

in those daysnothing to lose in my life
only innocenseif you can forgive me nowthe spiral of the lighti didn't know my own sinsi didn't know others lies
the rain became a streamand flows in the sea of bloodi spend all my sinful days
the light breaks with no care
but i have no fear of anything
so i want that from younow it's something i can feelplease do it for me now
