Almost Seems (Too Late To Turn)

Clannad

Though I care a lot, you dont believe its true, do you?
So the answers not given before you start to tryAlmost seems too late to turn
What to do if Im to learn
Almost seems too late to turn to youI saw the sad decline, a rift become a storm
Stayed so cold last night, this lonely heart inside me saysAlmost seems too late to turn
What to do if Im to learn
Almost seems too late to turn to youAlmost seems too late to turn
What to do if Im to learn
Almost seems too late to turn to youNow the angers gone, it leaves behind the pain again
Where did we go wrong? Let go my shadow, pass me byAlmost seems too late to turn
What to do if Im to learn
Almost seems too late to turn to you
