

I Don't Mind

Ashanti

I'm tell y'all
I'm tell y'all a story
It's about a girl
Hmm, I can't even say a girl
She is some more like
She's more like an angel
Tell you her name
Ashanti, Ashanti
Princess
I wanna love you, ohh
I wanna hold you, yeah
Baby, I wanna kiss you
I wish you would look into my eyes
And let me love you, ohh
Let me hold you, yeah
Baby, I wanna kiss you
I wish you would look into my eyes
If you touch me here
And I don't mind, ohh, no, no
And if you kiss my neck
Baby, I don't mind, ohh, no
I feel this tingling feelin'
Runnin' up and down my spine
So baby, let me love you
I wanna love you, ohh
I wanna hold you, yeah
Baby, I wanna kiss you
I wish you would look into my eyes
And let me love you, ohh
Let me hold you, yeah
Baby, I wanna kiss you
I wish you would look into my eyes
If you rub my back
Baby, and I won't mind, ohh, no, mmm
And if you kiss my lips
Baby, and I won't mind, ohh, no
I wanna feel your heartbeat next to mine
And slide right past my thighs
So baby, let me love you

I wanna love you, ohh
I wanna hold you, yeah
Baby, I wanna kiss you
I wish you would look into my eyes
And let me love you, ohh
Let me hold you, yeah
Baby, I wanna kiss you
I wish you would look into my eyes
If you come inside
And I don't mind
I wanna love you, ohh
I wanna hold you, yeah
Baby, I wanna kiss you
I wish you would look into my eyes
And let me love you, ohh
Let me hold you, yeah
Baby, I wanna kiss you
I wish you would look into my eyes
