## Spiderbait

You've been a long time coming down  
You feel alright when you're upstairs  
You've been a long time to put me down  
You've been riding on my coat tails honeySo come on  
    Like now  
    Yeah come on  
Right nowWell I feel so sick and tired  
    I've been feeling so lonely  
    What you're selling, hey well I ain't buying  
You've been riding on my coat tails honeySo come on  
    Can't you leave it alone  
    Yeah come on  
    Well can't you leave it alone  
    Hey, hey, hey, hey, hey, hey!  
    Oh yeah!Sing it up in sunshine city
