

Fingernails

[Joe Ely](#)

I keep my fingernails long
So they click when I play the piano
I keep my fingernails long
So they click when I play the piano I'm gonna keep 'em that way
Till the swallows get back from Texarkana I keep my fingernails long
So they click when I play the piano
I keep my fingernails long
So they click when I play the piano I'm gonna keep 'em that way
Till the swallows get back from Louisiana Well, I used to chew 'em off
I was nervous over you
I missed that clickin', tickin' sound
Honey, what I'm gonna do I keep my fingernails long
So they click when I play the piano
I keep my fingernails long
So they click when I play the piano I'm gonna keep 'em that way
Till the swallows get back from Alabama Well, I used to chew 'em off
I was nervous over you
I missed that clickin', tickin' sound
Honey, what I'm gonna do I keep my fingernails long
So they click when I play the piano
I keep my fingernails long
So they click when I play the piano I'm gonna keep 'em that way
Till the swallows get back
