The Love

Malachai

I turn up when the clock says
and give it what's required
I clean up when the boss says
at seventy retired
but where is the love?
the stars won't get it the sand won't let it go
where is the love?
I read up what the book says Nephilim and the Mayan
heard all what the crook said
the beggar and the liar
but where is the love?
where is the love I don't get it
if it's for love, if it's for love I bet it's you
nothing's better than you
nothing's better
turn off what the fox says
default every wire
burn all of the box-sets
if it fits your desire
'cos there is a love
there is a love now go get it
if it's a love
if it's a love I bet it's you
nothing's better than you
nothing's better
