

I Need You Tonight

Junior M.A.F.I.A.

Baby, listen bet to believe
I can give you what you want and all that you need
Mackin' all the ladies from the fly to the shady
Marquis diamonds, 600 Mercedes I'll fly you across the seas in a private jet
Whisper shit in ya ear to get ya panties wet
Honey, I'll show you how good life can get
Wining and dinning nonchalant in the finests restaurants Feed you lobster because I'm a true mobster
Lamer niggaz bore ya, lay ya down in the Walldoff Vistoria
Victoria Secrets, lingerie I loves to freak shit
Dim the lights, sex all through the night King sized beds, satin sheets gettin' right
Wear you out, leave my number by the phone
In the morn', I'm gone I wonder if I take you home will you still be in love, baby
Because I need you tonight
Wonder if I take you home would you still be in love, baby
Because I need you tonight Home, home
Home, home, home Do you know who I be? Lil' Kim the loot teddy
(That's right)
Here trying to put it on you fools trying to run up in
(What's the matter Big Momma, don't you like what you see?) Like my girl Mary B., you just ain't runnin' up in

You got to give me what I need baby, that's a drop top Z baby
Martini and Roxy, icedy Spomaonte'
Dom Perejoun so we can get it on, Movatto watch Tennis for the wrists, nigga you ain't ever since no ice like this
So now you know what you're working with handle ya business
And keep coming with that stuff that I like, light a candle
I'm too hot to handle, I see your eyes sizin' up my hips and my thighs
Man, I'll do things to you, Vanessa Del Rio would be shamed to do I wonder if I take you home will you still be
in love, baby
Because I need you tonight
Wonder if I take you home would you still be in love, baby
Because I need you tonight Home, home
Home, home, home Mack ass niggaz, smooth like Tom Cat and [unverified]
Games for pro leading parties with bitches and a sex coupes
Who spittin' game, all without the eye contact
We're all without contracts, laying my game down flat Kleptomaniac, rides in this rhythm that you give him
I'm that right, let press ya suns you got to get ya skins tight
Catching mobile phones, showing women how to live life
If that's your girl, she wasn't last night Made her life worth while, Benjamins by the piles
Turn her frowns to smiles, livin' Goodfellaz life style

Nails done and hair, living rooms with chandeliers
Sex in a stretch Lex, no cares for who wanna stare Yeah, now that's a real women for ya, highered
Vecks and lawyers, pearl gems and tag for ya's, Bachelor Degrees
Bringin' home bacon and cheese
Freaky Shaundra ain't afraid to get some dirt up on her knees I wonder if I take you home will you still be in

Because I need you tonight
Wonder if I take you home would you still be in love, baby
