Take My Time

Kerry Dean

Love is such a big rush
You wanna hurry it along
'Cause you can't get close enough
And I know it wouldn't feel wrongBut it's all right going slowly
Just fine getting to know me
I'll give you one thing you can't buy
Baby you can take my timeLike a river flowing
We can roll on and on
Not knowing where we're going
Living in the moment before it's goneBut it's all right going slowly
Just fine getting to know me
I'll give you one thing you can't buy
Baby you can take my timeI know what you want
I'll be here holding onBut it's all right going slowly
Just fine getting to know me
I'll give you one thing you can't buy
Baby you can take my timeHeart will be waiting
Baby you can take my time
My time, going slowly
Getting to know me
You can take my time
