

World Ain't Right (feat Shaun Morgan of Seether)

Hurt

The world just aint right,
It keeps me up at night,
A good man paralyzed; Hes everything to me
Hell, what else could he be?He payed for all wed do,
He payed for all wed get;
Lets try not to forget,
If it hasnt happened yet.A gambler pays his dues,
A gambler pays his debts,
Placed upon a bet;
A brand new red Corvette,
But he just lost Juliet.He payed for all hed do,
He payed for all he get;
And how can I forget,
When it hasnt happened yet?Would you show me the meaning of love,
So it doesnt affect me much?
(With) what youd do unto us,
I never expected all my hopes and dreams,
To fall apart at the seams,
To all fall apart at the seamsThe kindest man I knew,
The kindest man Id soon;
Was tied to a machine,
The kind that makes you breatheSo could you show me the meaning of love,
Cause it doesnt affect me much?
What youd do unto us,
(I) never expected all my hopes and dreams,
To fall apart at the seams,
To all fall apart at the seamsWorld that just aint right,
(that) keeps me up at night,
I try to be satisfied;
But Im still in love with you,
And its not like you want me to.
