

Heart Eyes

COIN

I saw you walking
Under a parkway sign with a stranger, yeah
Yeah so unaware of danger
That's her
Not like the others
A rose-colored dream but she's loving you
With a cartwheel heart never running out of roomWhat's another night out?
What's another night out?
Well call it what you want
But you got, and you got, and you got, and you gotTake a little time off
Darling have you had enough?
Well call it what you want
But you got, and you got, and you got, and you got
Heart eyes, heart eyes
Come home tonight, come home tonight
Heart eyes, heart eyes
Come home tonight, come home tonight1, 2, 3, you're killing me
An American dream, but you're mine
Oh baby, hurry over with a heartbreak kiss
I don't really wanna fight like this
Oh not tonightWhat's another night out?
What's another night out?
Well call it what you want
But you go and you go and you go and you goTake a little time off
Darling have you had enough?
Well call it what you want
But you go, and you go, and you got, and you got
Heart eyes, heart eyes
Come home tonight, come home tonight
Heart eyes, heart eyes
Come home tonight, come home tonight
