Wall Of Sound

Naturally 7

Higher and higher
I'm building seek
Consumed by desire
It's killing me
Like a moth to the fire
I go willingly
With windows of fame but they can't keep it safe soI built this wall, all around me
I built this wall, to surround me
I build this wall, from the ground see
These sticks and stones can't break these tones no...Shout out.
Shout out...
Shout out all you want to
I suppose call me Mr., Please Acknowledge me
Self imposed i'm a prisoner, no apologies
Wrote a note to my listeners, don't you follow me
I'm probably strange but i know i can change cosI don't wanna be alone anymore
There's a hole in my soul
Yet i'm happy at home noI built this wall, all around me
I built this wall, to surround me
I build this wall, from the ground see
These sticks and stones can't break these tones no...[Rap]I built this wall, all around me
I built this wall, to surround me
I build this wall, from the ground see
These sticks and stones can't break these tones no...
Shout out.
Shout out...
Shout out all you want toI built this wall
