

# These Eyes

## Guess Who

These eyes, cry every night for you  
These arms, long to hold you againThe hurtings on me, yeah  
I will never be free, no, my baby, no no  
You gave a promise to me, yeah  
And you broke it, and you broke it, oh noThese eyes watched you bring my world to an end  
This heart could not accept and pretendThe hurtings on me, yeah  
I will never be free, no, no, no  
You took the vow with me, yeah  
And you spoke it, and you spoke it, babeThese eyes, are crying  
These eyes have seen a lot of loves  
But they're never gonna see another one like I had with you  
These eyes, are crying  
These eyes have seen a lot of loves  
But they're never gonna see another one like I had with you  
These eyes, are crying  
These eyes have seen a lot of loves  
But they're never gonna see another one like I had with youThese eyes, cry every night for you  
These arms, these arms long to hold you, hold you againThese eyes, are crying  
These eyes have seen a lot of loves  
But their never gonna see another one like I had with you  
These eyes, are crying  
These eyes have seen a lot of loves  
But their never gonna see another one like I had with you  
These eyes, are crying  
These eyes have seen a lot of loves  
But their never gonna see another one like I had with you  
These eyes, are crying  
These eyes have seen a lot of loves  
But their never gonna see another one like I had with youBaby, baby, baby, baby  
Don't ya know these...
