Title Fight

Well, its trapped up inside you
Theres no peace, theres no hope
When its trapped up inside youWell, come this way
Come this way now
Your position is weakening
Your position is goneWell, it doesnt even matter
What youre thinking
It doesnt matter at allWhen, its trapped up inside you
Theres no peace, theres no hope
When its trapped up inside youWell, come this way
Come this way now
Your opinions are changing
Your opinions not sound, noIt doesnt even matter
What the truth is
All that matter is nowWhen, its trapped up inside you
Theres no peace, theres no hope
When its trapped up inside youWell, come this way
Come this way, now
Youre selling yourself, youre cold
Youre selling yourself at 27 years oldWell, its trapped up inside you
Theres no peace, theres no hope
When its trapped up inside you
Theres no peace, theres no hopeWell, come this way
Come this way now
Youre selling yourself, youre cold
Youre selling yourself at 27
