Time To Burn

Dio

Someone told me I would never be free
The way you are is where you'll always be
But it's all wrong, there's time to burnAnd hurt is on the pleasure wheel
But you can't hurt if you can't feel
And you can feel, there's something to learn
And you got time to burn, time to burnYou've been lost inside a pounding heart
Waiting for the game to start
But you won't play, you've so much to learnLike you never say never, we'll live forever
And you've got time to burn, time to burnWhen the wolf is loose in the city
Then the city will fight to survive
You can hide in the streets of the city
But no one will care, no one will know you're alive
You've time to burnNow someone told me I would never be free
The way you are is where you'll always be
But it's all wrongJust never say never, we're gonna live forever
'Cause you've got time to burn, time to burn
Time to burn, time to burn
Time to burn, you've got time to burn
