The Snake the Cross the Crown

What do you get when you expect so much,
Is it regret,
Or were they just false hopes that we should forget,
With time better spent, the words that we meant
Do I believe I deserve more than just to be released
Why do does it hurt so muchI don't believe I can return to where we are
Cause I know that things aren't what they seem at all
Our hearts are in places that just seem to fall
Our hearts are in places that just seem to fall
And what would become of us if life could be enough
To consider giving up, we're just giving upNow all this time, I just have plenty of, it's all I have
And this time it's not enough, and you're just too much
So we break it off and we can't get past this loss
So why do we talk at allI don't believe I can return to where we are
Cause I know that things aren't what they seem at all
Our hearts are in places that just seem to fall
Our hearts are in places that just seem to fall
What would become of us if life could be enough
To consider giving up, we're just giving up[x2]
