

# Don't Dream It's Over

**Donny Osmond**

There is freedom within, there is freedom without  
Trying to catch the deluge in a paper cup  
There's a battle ahead, many battles are lost  
But you'll never see the end of the road while you're traveling with me  
Hey now, hey now, don't dream it's over  
Hey now, hey now, when the world comes in  
They come, they come  
To build a wall between us, we know they won't win  
Now I'm towing my car, there's a hole in the roof  
My possessions are causing me suspicion but there's no proof  
In the paper today, tells of a war in a ways  
But you turn it right over to the TV page  
Hey now, hey now, don't dream it's over  
Hey now, hey now, when the world comes in  
They come, they come  
To build a wall between us, we know they won't win  
Now I'm walking again, to the beat of a drum  
And I'm pounding the steps to the door of your heart, yeah  
Only shadows ahead, barely clearing the roof  
Get to know the feeling of liberation and relief  
Hey now, hey now, don't dream it's over  
Hey now, hey now, when the world comes in  
They come, they come  
To build a wall between us, you know they won't win  
They won't win, yeah  
Hey now, hey now, don't dream it's over, yeah  
Hey now, hey now, when the world comes in  
Hey now, hey now, don't dream  
Don't you, don't you, baby from now  
Hey now, hey now
