Strangers on a Train

Lovage

Pardon me sir, is this seat taken?
I overheard you say, Not stirred but shaken
And I could really throw one backSuch a thirst doesn't always permit
Forward tact, so, if you would sir
Pardon me, a stiff one is my specialtyStrangers on a train
Strangers on a trainOh, you're very charming sir
Now here's to you
I don't want to know your name
Or what you doI know, here's to strangers on a train
Strangers on a trainOh, I think we're going faster
From the mount to the pasture
Just look at that scenery
It's lovely, it's lovelyI really like to ride the train
Especially when I forget where I'm goin'
I really like the way it feels
Motion of the wheelsAs the raging sparks are flyin'
From the wounded rails still cryin'
Battling the scenery, it's lovely, it's lovely
It's lovely, it's lovelyI really like to ride the train
Especially when I forget where I'm goin'
I really like the way it feels
Motion of the wheelsMountain, meadow, oh, I, I'd better go
This is my station, you know
I've had a lovely time
Oh, the pleasure's mine, all mine
