

# No Remorse (Remastered)

## Metallica

No mercy for what we are doing  
No thought to even what we have done  
We don't need to feel the sorrow  
No remorse for the helpless one War without end No remorse, no repent  
We don't care what it meant  
Another day, another death  
Another sorrow, another breath No remorse, no repent  
We don't care what it meant  
Another day, another death  
Another sorrow, another breath Blood feeds the war machine  
As it eats its way across the land  
We don't need the feel the sorrow  
No remorse is the one command War without end No remorse, no repent  
We don't care what it meant  
Another day, another death  
Another sorrow, another breath No remorse, no repent  
We don't care what it meant  
Another day, another death  
Another sorrow, another breath Only the strong survive  
No one to save the weaker race  
We are ready to kill all comers  
Like a loaded gun right at your face War without end No remorse, no repent  
We don't care what it meant  
Another day, another death  
Another sorrow, another breath No remorse, no repent  
We don't care what it meant  
Another day, another death  
Another sorrow, another breath Attack Bullets are flying, people are dying  
With madness surrounding all hell's breaking loose  
Soldiers are hounding, bodies are mounting  
Cannons are shouting to take their abuse With war machines going, blood starts to flowing  
No mercy given to anyone here  
The furious fighting, swords are like lighting  
It all becomes frightening to you know death is near No remorse
