

Call Across Rooms

Grouper

We both know that it's not fashionable to love me
But you don't go cause truly there's nobody for you but me

We could cruise to the blues
Wilshire Boulevard if we choose
Or whatever you want to do
We make the rules Our honeymoon

Our honeymoon
Our honeymoon
Say you want me too
Say you want me too

Dark blue

Dark blue We both know the history of violence that surrounds you
But I'm not scared, there's nothing to lose now that I've found you

We could cruise to the news
Pico blvd in you used little bullet car if we choose
Mr. Born to lose Our honeymoon x3 Say you want me too
Say you want me too

Dark blue

Dark blue

There are violets in your eyes

There are guns that blaze around you

There are roses in between my thighs and fire that surrounds you

It's no wonder every man in town had neither fought nor found you Everything you do is elusive to even your
honey dew Our honeymoon x3 Dreaming away your life x3
