

Love Love Love

Of Monsters and Men

Maybe I'm a crook for stealing your heart away
Maybe I'm a crook for not caring for it
Maybe I'm a bad, bad, bad, bad person
Baby I know And these fingertips will never run through your skin
And those bright blue eyes can only meet mine
Across a room filled with people that are less important than you
Because you, love, love, love when you know I can't love
You love, love, love when you know I can't love
You love, love, love when you know I can't love you So I think it's best we both forget before we dwell on it The
way you held me so tight all through the night 'til it was near morning Because you, love, love, love when you
know I can't love
You love, love, love when you know I can't love
You love, love, love, when you know I can't love you
