Somebody's Eyes

Karla Bonoff

Careful what you do, someone's on to you Careful what you do, careful what you say 'Cause you're on display, every night and every daySomebody's hiding in the great unknown Uh, huh

And every time you think that you're alone

Somebody's eyes are watchingSomebody's eyes are seeing you come and go

Somebody's out there, waiting for the show

You've got no disguise from somebody's eyesSomebody, somebody, somebody, somebody's eyes

Whoa, oh

Somebody, somebody, somebody's eyes

Whoa, ohCareful how you speak, turn the other cheek

Be careful how you speak, think a naughty thought

And if you get caught well, then boy, you've bought a lot of troubleSomewhere there's someone with a perfect

view

Yoo, hoo and they're just dying for a little peek-a-boo

BooSomebody's eyes are watching

Somebody's eyes will never close, never sleep

Somebody's after the secrets that you keep

Who's got alibis from somebody's eyes? Somebody, somebody, somebody, somebody's eyes

Whoa, oh

Somebody, somebody, somebody's eyes

Whoa, ohNever laugh to loud, never leave a crowd

Never dress risk, there'll be hell to pay

If you've ever had anything to hide

Think twice before you step outsideSomebody's eyes are watching

Somebody's eyes are following every move

Somebody's waiting to show they don't approveNothin' satisfies somebody's eyes

Ain't no alibis in somebody's eyes

You've got no disguise from somebody's eyesSomebody, somebody, somebody, somebody's eyes

Whoa, oh

Somebody, somebody, somebody's eyes

Whoa, oh, whoa, oh
