

Psychotic Reaction

The Radiators From Space

I feel depressed, I feel so bad
`Cause you`re the best girl that I`ve ever had
I can`t get your love, I can`t get a fraction
Oh, little girl, psychotic reaction
And it feels like this!

I feel so lonely night and day
I can`t get your love, I must stay away
Well, I need you, girl, by my side
Oh, little girl, would you like to take a ride now?
I can`t get your love, I can`t get satisfaction
Oh, little girl, psychotic reaction
