

# Power Of Love (Huey Lewis & The News)

## The Early November

Power of love is a curious thing  
It makes one man weep and another man sing  
Change a hawk to a little white dove  
More than a feeling that's the power of love  
It's tougher than diamonds and rich like cream  
Stronger and harder than a bad girl's dream  
Make a bad one good, make a wrong one right  
Power of love that keeps you home at night  
You don't need money, don't take fame  
Don't need no credit card to ride this train  
It's strong and it's sudden and it's cruel sometimes  
But it might just save your life  
That's the power of love  
That's the power of love  
The first time you feel it, it might make you sad  
Next time you feel it, it might make you mad  
But you'll be glad, oh, when you've found  
The power that makes the world go 'round  
Don't need money, don't take fame  
Don't need no credit card to ride this train  
It's strong and it's sudden and it's cruel sometimes  
But it might just save your life  
They say that all in love is fair  
Oh, yeah, but you don't care  
But you know what to do  
When it gets a hold of you  
And with a little help from above  
You feel the power of love  
Feel the power of love, yeah  
It don't need money, it don't take fame  
Don't need no credit card to ride this train  
It's tougher than diamonds and it's stronger than steel  
And you won't feel nothin' 'till, until you feel  
You feel the power of love
